**NARRATIVE**

On August 17th, 2017, I read Officer Beckers report stating that he recovered property from Larobin Scott's vehicle. I saw that there was some .40 cal Federal ammunition, a tooth in a plastic bag and a red gun lock with a key. This was in Larobin Scott's vehicle at the time of his arrest.

I called the victim Melvin Carter III back to verify some of his stolen property. I asked Mr. Carter if there was a tooth in a plastic bag that he was missing. he said there was. He said the tooth was his daughters and he kept in a plastic bag. I asked him if he had any gun locks with his guns that were stolen. Mr. Carter said he had a red gun lock and another gun lock on his .38 Cal. revolver. Mr. Carter said the key for the gun lock that was on his revolver was in the gun lock box with his guns. The key for the red gun lock was with him. Mr. Carter said the lock box had a combination lock on it. I asked him if there was a receipt from Bill's Gun Shop that was with his guns. He said he thinks there was. He said it was Bill's Gun Shop from Hudson, WI. I asked him if he was able to find the serial numbers to his guns yet. Mr. Carter said he was still trying to get the serial numbers for his guns.
